NIST 800-53 R5 Framework

Understanding Security Plans

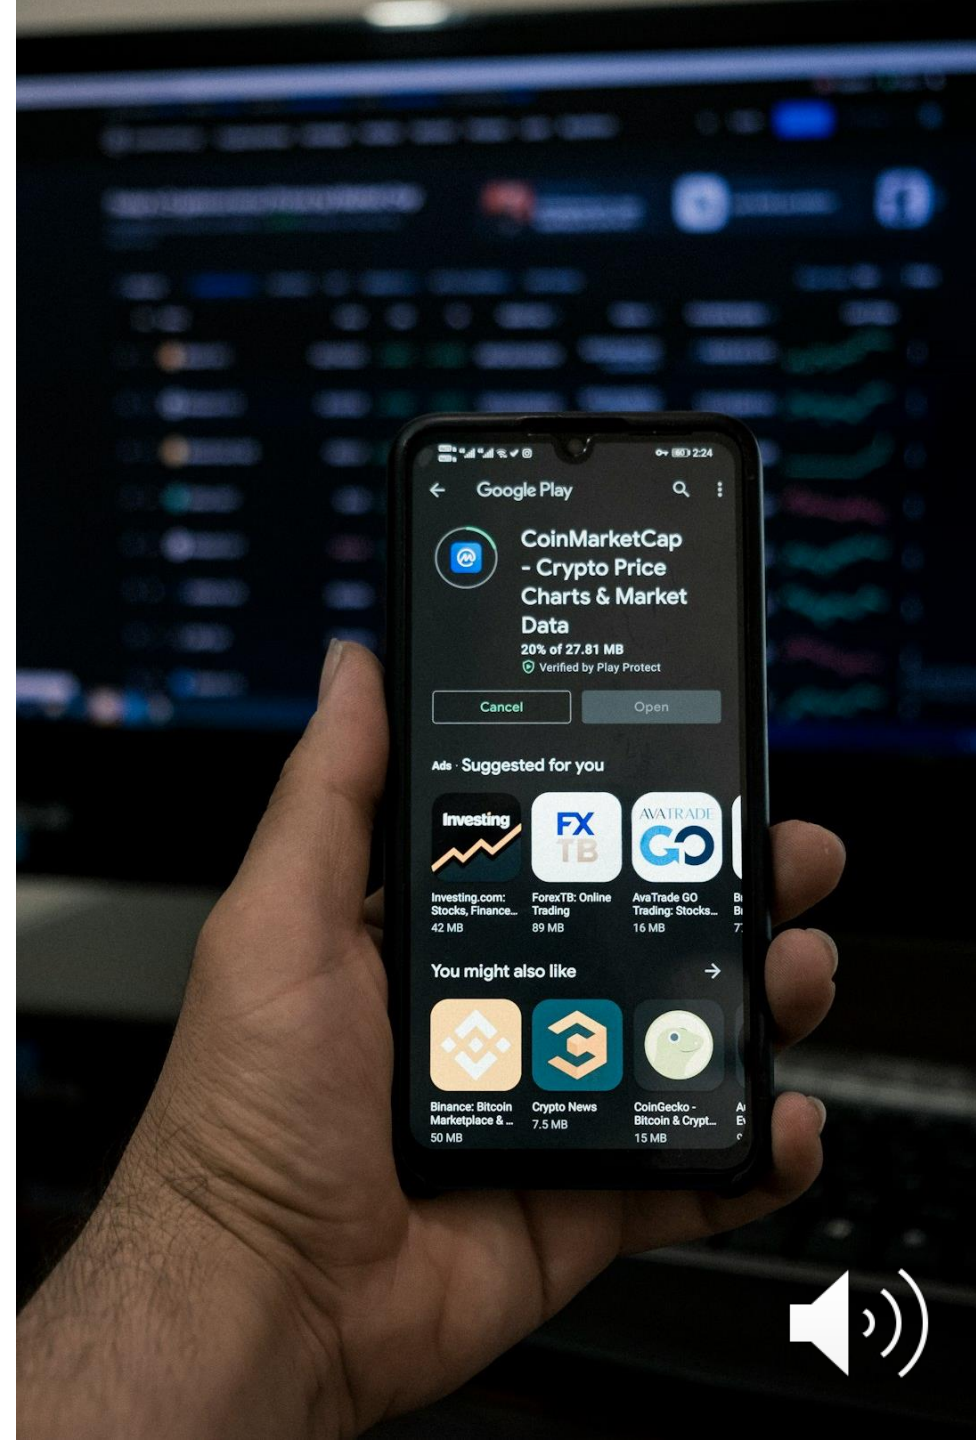

The background of the slide is a photograph of a grey, textured wall. At the top of the wall is a horizontal band of dark grey bricks. Two white, cylindrical security cameras are mounted on the wall, one on the left and one on the right. They are connected to two white rectangular electrical boxes in the center. Black cables run from the cameras and boxes across the wall. The title text is overlaid on the lower half of the image.

Least Significant Lesson from This Month

A person is shown from behind, sitting in a meditative lotus position on a wooden deck. The person's arms are extended horizontally, palms facing up. The background is a warm, golden sunset over a body of water, with palm trees visible in the distance. The scene is framed by a dark horizontal bar across the middle.
